

Logging in to CrewClock

Sign in to your CrewClock account and reach your dashboard.

Overview

This guide walks you through signing in to CrewClock for the first time. It's intended for workers and supervisors who have been invited to an organization by their admin.

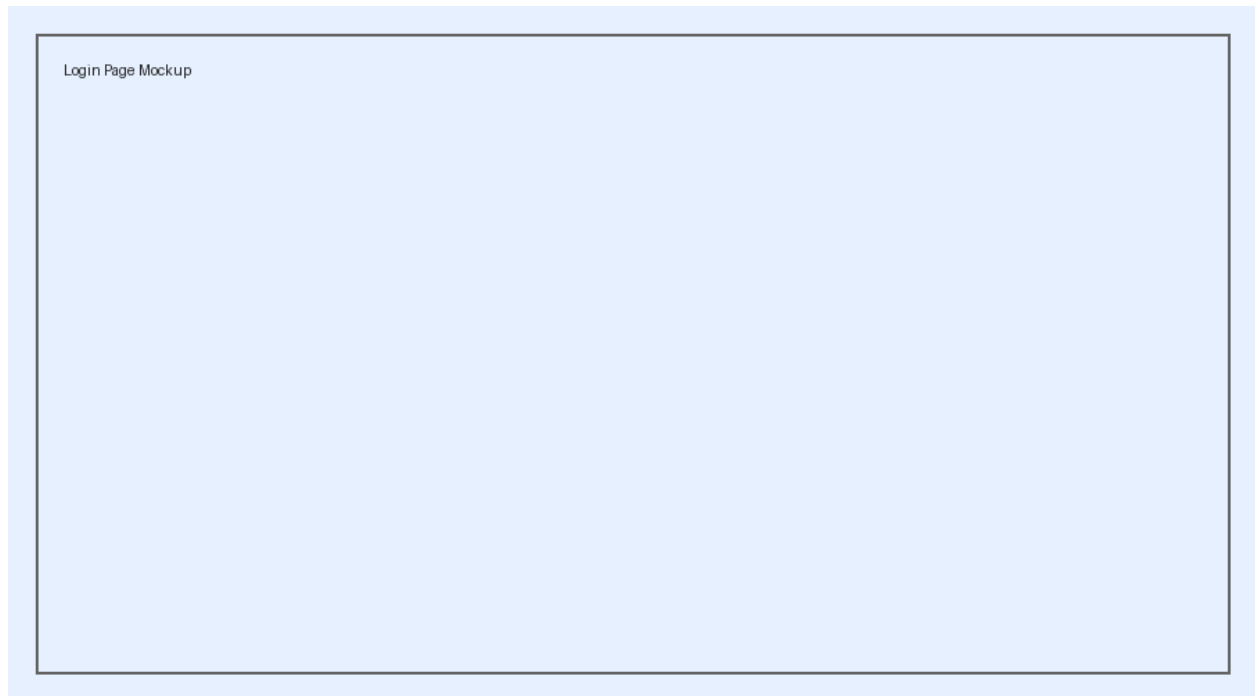

Prerequisites

- Your work email address
- The password set or provided by your admin
- A modern browser (Chrome, Edge, Safari, or Firefox)

Steps

1. Navigate to the login page

Open your browser and go to <https://crewclock.app/login>.

2. Enter your credentials

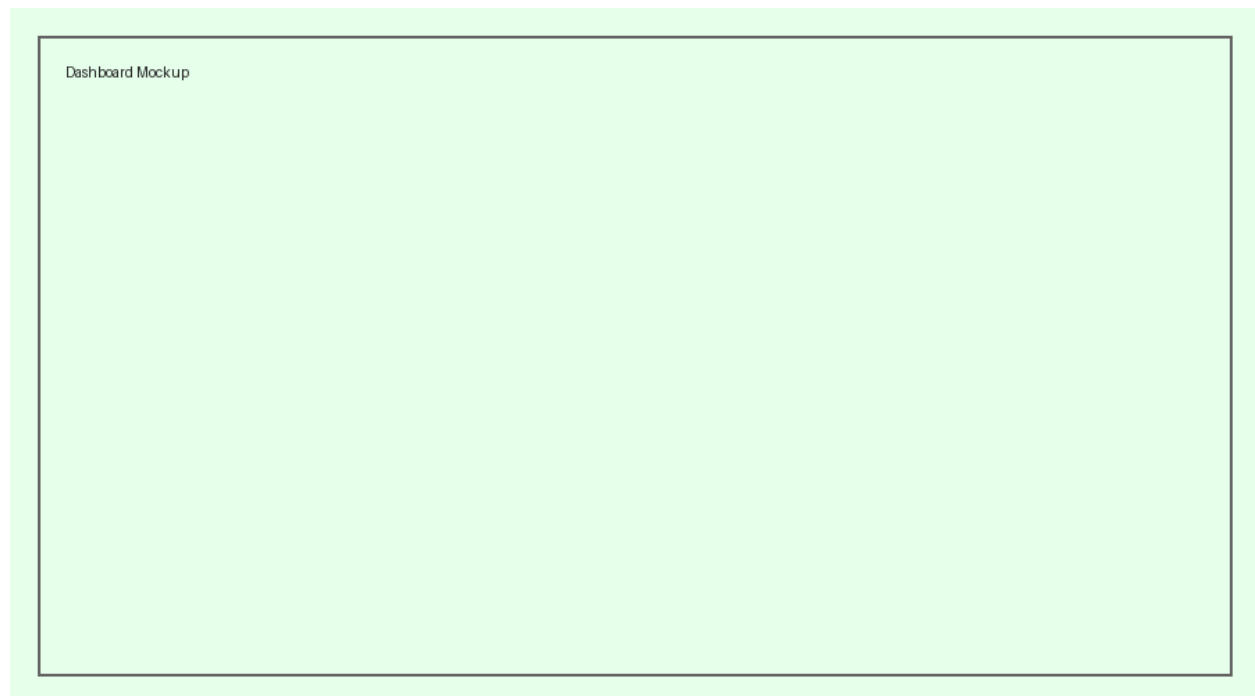

Type your work email in the **Email** field and your password in the **Password** field. Then click **Sign In**.

TIP

If you've forgotten your password, use the "Forgot password?" link below the form.

3. Land on your dashboard

After signing in successfully, you'll be taken to your dashboard where you can view your schedule and clock in.

- **Mobile app:** Available on iOS and Android

Troubleshooting

I get "Invalid credentials"

Double-check your email for typos and make sure Caps Lock is off. If the problem persists, use "Forgot password?" to reset.

The page won't load

Confirm you're on a supported browser and check your internet connection. If your organization uses SSO, you may need to go through your company portal instead.
